FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 3047 - HB 3321

February 26, 2012

SUMMARY OF BILL: Prohibits law enforcement agencies from using an unmanned aerial vehicle, unmanned aircraft system, remotely piloted aircraft, unmanned aircraft, or similar structure, that is equipped with a recording device that transfers recorded or live feed to the law enforcement agency, to conduct surveillance over property. The prohibition does not apply where the law enforcement agency has a warrant for the property, is attempting to locate a missing child or person, or is authorized by federal law to do so.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Any impact to law enforcement agencies resulting from this prohibition can be accommodated within existing resources without an increased appropriation or reduced reversion.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
